Republican Janet Nguyen An American Story

Photo from refugee camp after escaping communist Vietnam

She escaped from communism as a little girl and came to America to start a life of freedom.

She worked multiple jobs to pay her own way through college.

She went to work for a Chamber of Commerce, started her own business, and, seeing the damage that liberal policies were doing to our economy, decided to run for office.

She became the first woman elected to the Orange County Board of Supervisor in the first district and the youngest elected to the Orange County Board of Supervisors.

Today, Janet Nguyen is one of the leading Republicans in the Legislature, where she fights for Orange County against Gavin Newsom and the ultra-liberal super majority in Sacramento who are ruining our state.

As our new State Senator, Janet Nguyen will work to:

- ◆ ***Reduce the Gas Tax***
- ◆ ***Fight Inflation***
- ◆ ***Slash Waste, Fraud and Abuse*** from State Government
- ◆ ***Support the Police*** and enact tougher laws to punish criminals
